

# 2018-2019 Class Shirts

Parents,

In an effort to always keep safety at the forefront for our students, ONE **FREE** JAE shirt will be sponsored and donated this year by Morris Orthodontic for every student and teacher for use on Field Trips. Each class will receive a different color, and all that we ask of you is to complete this form and return to school registration night before you leave as some field trips take place in the fall. For those that happen in the spring, you might want to select a size with growth in mind. Please fill out form below completely.
